The scales seldom fail to reveal the truth, they are a fair gauge of health. If you are losing weight and are not feeling up to the mark, it is high time to replace the loss and build up the powers of resistance.

I'm too proud to ask questions, hence a fool. Streets are frozen up and rubber boots are no longer necessary.

I'm not as much disturbed over autocracy in Europe as I am over the condition of Cottage street.

Evidently some good people yet believe in corporal punishment. So do I. Especially for the other fellow.

Frederick Marshall Davis has announced that "Peace Has Come." See page two, this paper.

Nash has a 27 point head. Next bigger was 26. The deer head came from Center Harbor, N. H., where things grow large and luxuriant.

Overheard on the street the other morning: "Mr. Bennett will never die. He is so bent the breath of life will go round and round forever."

Sufficient snow for the tracking of a cat will constitute a snow storm. We are to have 18 of them. Just 20 less than last year. Count 'em and let me know next May if this isn't right.

Don't hurry over our good road; drive slow and enjoy it. There are plenty of bad roads off the short permanent way which has nearly bankrupted the town. Ride slow that the joy may linger.

Mother's shoes squeak. It greatly annoys her. I told her she must wet them. Her reply was "how can that be done? I see by the papers everything has gone dry." I give it up for I don't know.

Minnie Sawyer of Lovell loans us a copy of Albert D. Richardson's "Beyond the Mississippi." She reads the Intelligence Column in this paper and answered our "want ad."

Steve Cummings is making his house look medieval. It could be made more so by taking off the green blinds, putting helmets on the chimney tops and covering the windows with huge round black-iron gratings. This would give it a decided Castle-on-the-Rhine appearance. Why not do it?

Freeland Howe puts a copy of the Christian Science Monitor on Walter Chandler's desk every morning. It is an excellent paper and he steals many a good thing out of it. I modestly maintain, however, that a dose of physic is also a good thing once in a while for any person.

I've been invited out to Thanksgiving. Mother is also included. It has been years since I was last so honored. I shall not know how to act. Had been thinking of using your Intelligence Column saying: "Wanted—an invitation out to Thanksgiving," but have been saved that expense.

The dog is sick. He over-eats and is restless nights. He has bad dreams, groans and barks in his sleep. Mother keeps a fire and light burning for him. She gives him pills and when he refuses them she takes them herself and it does the dog just as much good.

I'm so pleased with a copy of the Maine Register of 1837 published by Glazier, Maston and Smith of Hallowell, Me., that I carry it with me to show friends. It was a present from a lady who requests her name not be mentioned in the paper. She is a widow, ten years younger than the register, hence 71 years old. I reckon I'd better do as she says and remain in her good graces.

At the recent literary festival and baked bean banquet in Grange Hall, "Out" Cummings licked up two brimming plates full of beans, two mugs of coffee and a lot of brown bread and received congratulations from Judge Wm. F. Jones, who remarked that there were not many who could so indulge even in peace times, without endangering their health. Frank Stone, the druggist, could not and stayed away for that reason. Orrington remarked, "when I get as old as Frank Stone, I don't expect to." Mr. Cummings will be 80 February 7th next.

Sent in as a correction by Judge Whitman: "The editor of this paper in last week's issue, states that I am growing old and am spavined. The first is true, as of everyone, but there is as yet no trouble with the joints in my limbs. Any how I feel able to 'kick the stuffing' out of him on sufficient provocation at short notice."

While I seriously wouldn't counsel a resort to physical force or violence, I have sometimes thought that a judicious application of the horsewhip would greatly improve the 'local pickups' and 'barn door sketches.'"

NORTH WATERFORD

Warren Brothers
This letter was written us from Henry P. Warren, Albany, N. Y.:

"My boys passed their summers from early boyhood in North Waterford at the old home. They made many acquaintances and friends, who I like to think, are still interested in them and would like to hear of their experiences on the other side."

Samuel Warren, Battalion Sergeant Co. C, 32nd Engineers, enlisted as private and was sent to Camp Grant, Ill. He was soon made Battalion Sergeant and with his regiment crossed to France in June, 1918. The regiment was sent to Bordeaux to construct warehouses, for Bordeaux is the port in France that has been so wonderfully developed by the Americans. Sergeant Warren has been in charge of the office at the construction camp and is so employed at the present time.

Henry P. Warren, Jr., Captain Co. E, 31st Infantry, 78th Div., received his training at Madison Barracks. He was commissioned Captain at the end of his training, sent to Camp Dix, Sept. 1917 and put in command of Co. E, 31st Inf. The regiment crossed to France in May, 1918. He trained with the Seaforth's, Black Watch, South Africans (all "Kilfers") and Australians. He saw service from Belgium to Switzerland. He was in the St. Mihiel drive, where he lost some men and narrowly escaped being taken prisoner. Still later he was in the Argonne drive where he was wounded by a machine gun bullet which passed through his helmet, grazing his head. A cablegram received November 21, says, "Out of hospital. Feels splendidly." This division, the 78th, has not as yet been sent to Germany."

There is to be another grange spasm with a Harvest supper, entertainment and dance Saturday night, Nov. 30th.

Mrs. Will Moulton went to Trufant's Hospital at Norway, Monday, where she is to be operated on.

Lester Allen is boarding at John Grover's and working at Durgin's mill at Biddeford with Mr. Grover's team.

Mrs. Eugene Lovejoy has been very sick for several days. Her sister, Rose McAllister, is stopping with her.

At the regular meeting of Waterford Grange Friday afternoon, Past Master S. Lizzie Morse conferred the 3d and 4th degrees on four candidates. Several visitors were present and a good attendance of members. A nice lunch was served.

Mr. and Mrs. Perley Grover and baby went to Norway, Monday.

C. N. Eastman has been selling beef here last week and at a very reasonable price. Roy Lord goes with him and drives the auto.

Merline Littlefield is sick at this writing.

Albany Line

Linwood Flint, Burnham Rice and Mrs. Rena Henley played for a dance at I. O. O. F. Hall, North Waterford Tuesday night Nov. 19. This entertainment and dance was for the benefit of the United War Work Campaign. Friday evening Mr. Flint and Mr. Rice were at K. of P. Hall, East Stoneham for a similar purpose. Both dances netted a good sum.

Pearl Weymouth has sold his auto to John McAllister.

Mr. and Mrs. Sidney Hatch of Lovell are to move into the Fred Hazeltine farm in the near future.

Perley Grover has sold his work horse to Walter Lord.

C. N. Eastman and Roy Lord are in the meat business.

Pearl Weymouth is to haul hay for Austin Hutchinson and Fred McAllister from Roy Lord's barn.

Roy Lord traded his Ford car for a Ford truck with his brother, Walter. He is peddling beef with it and it makes a good outfit.

Merritt Sawin who has been ill is able to be out of doors. Walter Canwell is also able to be out again.

Most every farmer is over stocked with cattle this fall. Beef has dropped off and cattle are selling hard. Hay is very high and very plenty. Many hogs are being slaughtered in this vicinity. Poultry is very high and not very plenty.

The largest flock of wild geese the winter ever saw passed over this place, Tuesday, the 17th. They were going in the direction of Speck Pond in Albany. They are no doubt on their way to their winter quarters in the Sunny South as usual this time of year.

Marion Lord who is still at work in Bethel came home on a visit Saturday night. She visited her uncle, Walter Lord and family Sunday in company with her grandmother who has stayed Sunday night. She is soon to go to Portland to work.

Mr. and Mrs. Charles Marston visited their daughter and husband, Mr. and Mrs. Sidney Hatch of Lovell, Sunday the 17th. Sarah Waterhouse has finished work for her daughters, Mrs. Rolland Littlefield, Mrs. Littlefield is on the gaining hand.

Only One Corn Peeler, "Gets-It"

Stop Corn Pains; See Corn Peel Off.

It is just when a corn hurts that you want to feel surest about getting rid of it. Why take chances of keeping the corn and having the pain grow worse? You'll use "Gets-It."

The Only Peel-It-Off Way Is "Gets-It."

It's anyhow, sooner or later, might as well use it sooner. Then you are absolutely sure that the corn will loosen from your toe, so that you can peel the whole thing off painlessly with your fingers, in one complete piece, just like peeling a banana. It takes a second or two to apply "Gets-It." There's no fussing or putting. Corn-pains will vanish. It keeps you sweet while the "Gets-It" does the rest. Nothing new for corns has been discovered since "Gets-It" was born. Follow the judgment of the millions; use "Gets-It" and be sure to be corn and pain free! You'll say it's magic. "Gets-It" the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago, Ill.

HARKEN BACK ON THE PAST

Twenty-four Years Ago This Week
Fred Bolster killed two partridges at one shot.

Mrs. Kate Jones recently presented the Congregational Church with an elegant piano for the new vestry. Frank H. Noyes has presented the church with a beautiful communion service. In such a time these beautiful and necessary things are most gratefully received.

Walter Chandler of Bethel, is working in the shoe shop as room boy. * He is now local reporter for the Norway Advertiser. Hand him all the news.

Work on the Electric Light Station is progressing but to the outsiders it seems pretty slow. The penstock is nearly all in position and the wheels are set and the main shaft. Work on the dam will be commenced this week. It is understood that an engine will furnish power to run the commercial circuit while the dam is being built. When this plant is finished it will be one of the finest in the State.

Abb Gibson is on her way here from California. She will be assistant in the post-office, a position she occupied with credit during Mr. Rowe's former term of office. Frank Bartlett who has made a very efficient assistant, has resigned. J. Albert Stearns of Lovell is reading law with S. S. Stearns.

H. C. Davis will probably be the next municipal judge, as he has a well signed petition.

They decided on the date when fair would be held and make all arrangements necessary, backed by the hearty cooperation of all the members. Worthy Treasurer Gammon has charge of the "Red Letter Day." Each one should make generous responses thereby adding greatly to the efficiency and prosperity of the grange.

The County contest is scheduled to be held at Norway Grange hall at an all day session Saturday, November 30 a free dinner is furnished the members and their leaders attending. The meeting is under the direct supervision of Prof. G. A. Yeaton, County Demonstrator, and assistants.

The dinner committee is L. With Knightly district chairman; Pikes Hill, Viola Abbott, Norway Lake; Ella Perry, Crockett Ridge; Addie Brown, North Norway; Mrs. Florence Abbott; Nobles Corner; Ella Hersey; Yaggar, Kate Delano; Village, Ida Everett, and Rose Jenkins.

The stage was decorated with the Stars and Stripes and centered back while luscious pumpkins and tater corn ornamented the front. Over head Japanese lanterns gaily swung. Frances E. Bartlett

No other definite word was received in regard to Frances E. Bartlett, except through her friend, Miss C. E. Johnson, whose mother is living with Mrs. Hiram Clark of Beal St., stating that her death was due to pneumonia developing from influenza until Thursday, when the family was officially notified of her death.

Miss Bartlett was born in Stoneham, April 15, 1894, the daughter of Charles L. and Elizabeth (Stearns) Bartlett, who now reside in Andover. She attended the common schools in Stoneham, and entered Norway High School in 1907, graduating in the class of 1911. The following fall, she entered Bates College, where she remained for two years when she decided to train for a nurse and entered the Massachusetts General Hospital, graduating in December 1916.

She immediately enrolled with the Harvard Unit, Red Cross, British Expeditionary Forces and anxious to do her part for the wounded overseas, sailed for France, February 22, 1917, and was stationed at Cammer, Northern France, serving her enlistment, she returned home the last of September, 1917, and did private work nursing until January 1918, when she enrolled with the American Red Cross, for overseas duty, not content to remain in this country when she might be doing good "over there." She went to the Walter Reed General Hospital at Takoma Park, Washington, D. C., whence to Cape May, N. J., where Unit 115, Base Hospital was formed. She sailed for France in July 1918, and has been stationed at Vichy, France, where she was stricken and died. Miss Bartlett leaves her parents and younger sister, Elizabeth, and several relatives in this country. She is a niece of Dr. and Mrs. Herman L. Bartlett, and Hon. Albert J. Stearns, of Norway.

After her return from her first trip, she visited in Norway, and spoke before the local Red Cross, telling of her work and several interesting and exciting experiences. Miss Bartlett was a general favorite, making friends where ever she happened to be.

Memorial services were held at the home of her parents, at Andover, Maine, Sunday Nov. 17. Prayers were offered by Rev. J. N. Stearns, J. N. Stearns, pastor of the Congregational church at Andover who was a classmate of Miss Bartlett at Bates. Those present from out of town were Mr. and Mrs. Albert Stearns, Mrs. Ellen Stearns, Dr. and Mrs. H. L. Bartlett of Norway, Virg Littlefield and Melvin Beal of Stoneham, and Mr. and Mrs. A. E. Stearns of Rumford.

Memorial services were held at the church at East Stoneham, of which she was a member, Sunday, Nov. 24th.

Taxidermist Business Rushing

Capt. J. Waldo Nash is having his inn at the taxidermist rooms. Business is booming with deer heads and bear skins arriving almost every day. One curiosity is a twenty-seven point buck's head sent from Center Harbor. A dozen or more carry from nine to fifteen points. He has received to date ten bear skins and several pelts, including a lynx from Berlin, N. H., for rugs. The bobcat caught in a trap near Gray is being mounted, and will become the property of his daughter, Mrs. Bernice Nash Hill.

Capt. Nash is finishing the trophies from the last fishing season. Ten trout weighing three pounds each and mounted on solid mahogany bases according to his famous "meat" style. The trophies they were sent from Ottawa, Canada, the property of A. G. Manser, Burlington, Vt., Dr. W. L. Wasson, Waterbury, Vt., A. B. Buell Burlington, Vt., and Dr. H. C. Tinkham, all members of the Scott Club.

Several of the men shingled the vestry Monday. The ladies served dinner and cleaned the vestry in the afternoon. Gladys and Guy Parker are at home.

Christie Nelson went to Norway, Tuesday.

Emma Stover and Lillian Bassett are home for one week's vacation.

Silver Wedding Anniversary

Twenty-five years Nov. 23, the evening of the day before Thanksgiving was the occasion of the marriage of Ella A. Estes, daughter of Mr. and Mrs. Samuel K. Estes and George Lineas Briggs son of the late George Henry Briggs and Mrs. Mary Ellen Briggs.

Saturday, Mr. and Mrs. Briggs celebrated the day in an informal and social way. They gave a dinner party to all their near relatives who were able to come. There were twenty present. Mr. Briggs' sisters, Mrs. Carrie Bird from Worcester, Mass., and Mr. and Mrs. N. I. Swan of Bryant's Pond were the only ones from out of town who were present.

In the evening a company of about fifty neighbors and friends were in for a social evening. Familiar songs and Flinch occupied some during the evening. A treat of chocolate and vanilla ice cream and a delicious variety of cake was served. It was the intention of the 25-year couple that the occasion should call for presents. The general invitations were not given out until late. Nevertheless a few gifts were presented. The party broke up at an early hour all declaring they had had a good time and hoping that they would live to celebrate their golden wedding.

The all day Grange Saturday was well attended and had an enjoyable day. Rev. and Mrs. H. H. Hathaway and Rev. and Mrs. H. A. Martley were the invited guests at dinner. Mr. and Mrs. Martley are patrons in their former home and were present all day. The lecturer was disappointed in securing a speaker but a good program of readings by various members. A piano solo by Edith Stevens, vocal solo by Dana L. Grover; A question, "Does it pay to hire help on the ordinary farm?" and a Roll Call to open with, Tell of your greatest thankfulness, to which every one was invited to respond. Next regular meeting will also be an all day meeting and election of officers.

Friday evening the High School had their first Basket Ball for the season in Centennial Hall between W. P. H. S. and a Town team. A sociable dinner was served. Last week Thursday evening at Good Will Hall a reception was given to Rev. and Mrs. H. A. Martley. This was arranged and intended to be held before the influenza epidemic, Mr. and Mrs. Martley having then just moved here but had to be postponed. A good number was out and a good time enjoyed.

Mrs. Harry Patch had the misfortune of dislocating her right elbow. She was doing some cleaning in her pantry and made a mis-step and fell. It is doing well.

The Harvest Supper and Sale to be given by the Ladies' Aid and Ladies' Social Circle, which had to be postponed on account of the influenza epidemic, will be held December 12.

Christmas Spirit

The Council of National Defence requests that every patriotic man and woman do their Christmas shopping NOW in order to conserve labor and eliminate transportation congestion at Christmas time.

Will You Do Your Share?

We Will Do Our Share

Heretofore we have come forward about Two Weeks before Christmas with large advertisements telling you all about what we have and what you should buy to make Father, Mother, Sister or Brother for a suitable gift. This year in order to conserve paper and labor at the printing office we will eliminate the large advertisement and thereby be patriotic.

However, we can assure you that we will have plenty of Christmas offerings well up to the eleventh hour and will be pleased to see all that are delayed in buying presents early.

An ancient wisdom; the deep truth of it is now being made clearer. Wearing apparel is one of the most suitable gifts that can be made at Christmas time.

KIDNEYS WEAKENING?

LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment now with GOLD MEDAL Haaren Oil Capsules.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops" as she quaintly calls GOLD MEDAL Haaren Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Dutch.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haaren Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well. My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. I tried it and it did me much good. I am now well and happy."—Mrs. MABEL BOYD, 1421 5th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.

NORWAY HIGH SCHOOL NEWS

Tuition pupils at Norway High School: Seniors: Errol Barker, Stoneham; Carlton F. Barker, Stoneham; Muriel B. McKee, Stoneham; Walter Noyes, Greenwood; Mildred P. Durrell, Otisfield; Bessie R. Durrell, Otisfield; Edmond J. Scribner, Harrison.

Juniors: Elizabeth S. Bartlett, Andover; Erna F. Henley, Waterford; Nellie M. Skinner, Waterford; Alma Noyes, Waterford.

Sophomores: Doris Adams, Boothbay; Margaret Eisenwinter, Waterbury, Conn.; Berkley G. Henley, Waterford; Gertrude R. Jope, Fryeburg; Isma S. McKee, Stoneham; Lona M. Rowe, Oxford; Clarence Packard, Harrison.

Freshmen: Doris Beck, Albany; Francis McAllister, Albany; Catherine E. Littlefield, Stoneham; Theodore Brown, Waterford; Philip K. Lord, Waterford; Richard Perkins, Waterford; Grace Skinner, Waterford; Thelma Tracy, Waterford; Gertrude Witham, Oxford; Sylvia Taylor, Buckfield.

Last year we had twenty-four tuition pupils, from whom was actually received during the year \$663.00, bills having been sent out for \$825 the for tuition. In 1918 there was paid into the town treasury \$316.00, received from ten tuition paying pupils. Since then tuition has been advanced from \$10.00 to \$12.00 per term, as sanctioned by State law. This fall term bills will be submitted in the amount of \$336.00. The income for the school year will be nearly three times that amount.

This income more than pays for the Commercial Department and at the same time gives our local pupils the advantage of taking the course at their home school without a taxider. Our school is growing better and bigger each year as evidenced in a practical way by the number of pupils that are attracted to it through the superior results and practical training we are giving. "If you have something better than elsewhere, the world will wear a beaten path to your door."

High School Annual Fair
More than two hundred dollars were cleared at the annual sale, supper and entertainment given by the Norway High School at Grange Hall, Friday evening. The whole program was largely patronized, making this one of their most successful enterprises.

The sale opened at 2:30 in the afternoon with the various booths tastefully decorated in patriotic colors, flags in abundance. A large table in the center of the hall displaying finely wrought fancy work was presided over by Doris Brooks, '19, Francis Jones '20, Elizabeth Bartlett '20, Bessie Klein '21. Along both sides were arranged the candy table where Marion Sanborn '20, Sarah Grover '19, and Laureline Foster '20 sold corn balls and many sweet articles. A well stocked apron table under the charge of Mildred Durrell '19, Minnie Hill '20 and Mary Jones '20 interested many anxious to stock up at a reasonable price. The school pillow contest, one great annual event, was conducted by Bessie Durrell '19 and Elinor Brown '20. Banners with N. H. S. in heliotrope on white were sold at a booth under the direction of and Gertrude Jope '21. Mysterious Muriel McKee '19, Nellie Skinner '20 packages from the baby on which Columbia was the central figure attracted many dimes. Doris Foster '19 and Marjorie Rich '19 officiated at this important station. The boys forged to the front with their department, selling ice cream in various combinations, corn-balls and frankfurts. An original theme was the "electrical grab bag." A pail of water connected with batteries caused many to try picking up a quarter from the bottom, while holding in one hand an innocent looking carbon stick attached to the wire. This scheme was a money getter and fun producer with Walter Noyes in charge. Errol Barker '19, Stephen Braden '19 and Albert LaFrance '19 handled the boy's department.

Although food in abundance had been generously contributed, it was a big problem to handle some three hundred persons who appeared at the supper hour. This unusual condition was ably handled by Elsie Hunt '19, chairman of the supper committee and Velma Frank '20 with a corps of busy volunteers from the school. Mrs. Charles A. Richardson, Mrs. Louis Brooks, Mrs. P. H. Noyes and Edith Knight rendered experienced aid in this wild rush.

"Ellen's Last Chance" was the two act playlet selected for the entertainment, which packed the hall to the doors. Much interest centered about this sketch as it was "made in Norway." The author Bessie (Pottle) Thomas '17 wrote the manuscript during her senior year.

It was staged by Norway Talent; coached by a local expert, Harold A. Anderson; and the character make-ups originated and applied by Edward Burnell. The talent included Arthur Descoeau, Carlton Barker, Marcia Grover, Marion Sanborn, Doris Brooks, Eloise Hunt and Doris Foster, all students at the high school. The body was made up of the play and many complimentary things have been said concerning the script, and the manner in which the lines were produced.

Dancing followed with music furnished by the Norway Club. Gene Waters kindly assisted with the drums and the team, recently organized made a hit.

Principal Noyes made a splendid auctioneer, and disposed of fancy chocolates at a price in keeping with the times. Albert LaFrance won the N. H. S. pillow. Mrs. Cyrus Twitchell of South Paris secured the large water color of the high school building done by Akers. This picture was donated by Mrs. George Dunn having been won last year by her daughter, the late Gertrude Dunn. Arth. Descoeau, president of the senior class was in charge of the various committees.

Dr. L. H. Trufant's parents, Mr. and Mrs. Arba Trufant of Auburn observed their 52d wedding anniversary, Friday. Mr. and Mrs. Trufant have been residents of Auburn for many years. Many called during the day to bring congratulations and wishes for happy anniversaries to come.

Riley McKee of East Stoneham, has been the guest of Mr. and Mrs. Freeman Frost.

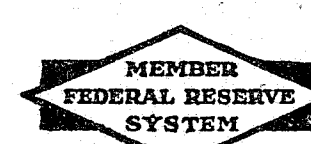

F. J. Frost of the Navy Signal Corps is spending Thanksgiving week with his uncle, J. B. Frost. He is a native of Gallup, New Mexico, but is taking the Radio course at Harvard University. This is his first trip east and finds many interesting things in Maine.

Mrs. Mary Stearns of Portland, widow of the late Judge Stearns has been visiting friends and relatives in town. Her two boys, John and George, are overseas in the war and have been for many months. Of course she is anxious, but hopeful.

OUR SERVICE And What it Means to You

We Have a Joint Interest in This Community And We Wish to Join With You in Every Way to Promote the Communities' Interests

In a sense, this community is like a farm—it pays according to the way in which it is treated.

The successful farmer co-operates with his farm.

Knowing that certain soil elements are necessary to healthy crop growth, he sees to it that these elements are maintained.

The same principle holds good in community development.

Our community is composed of two closely-related elements—town and country.

They are both essential to healthy community growth. Neglect or mistreatment of either of them by the other affects both—it injures the whole community. Both elements must be maintained.

Accomplishing this is simply a matter of sincere co-operation among all of us in this community.

Our idea of our own part to play for community good in a business way is—

To sell only such implements as have the quality to give high grade results in the field.

To consider good performance by our implements as a part of our obligation.

To sell every implement at a fair price.

To practice the square deal towards each and every customer.

On this basis we invite the co-operation of every farmer in this community.

Many people need a fine, gentle, easy cathartic in these trying times. We recommend Hood's Pills, used in the best families, and equally effective with delicate women or robust men. Easy to take, easy to operate.

HARRISON

The Wyonegonic Club were delightfully entertained by Mrs. J. E. Blake at her home on Main Street Wednesday, November 20th, with eleven members and two guests present. The following program proved most interesting:

Music, Apple Blossoms, Edison Phonograph Roll Call, Thanksgiving Memories, The Great War, Denison Music, Memories of Home, Edison Phonograph

Mme. Fremstad of New York and Miss Foss of Norway were the guests. Mme. Fremstad charmed the company with her gracious manner and wonderful voice. She sang several selections, accompanying herself on the beautiful Jewett piano. Mrs. Blake served tea in the tea set which has been in the family over one hundred years. This brought to a close an afternoon to be long remembered by every one.

E. C. Emerson of Portland, Oregon, who has been visiting his nephew, E. G. Emerson, on Depot Street, started Tuesday for his home. Mr. Emerson has traveled a great deal all over this country and Alaska and is a most interesting man to meet and has many valuable souvenirs of his travels. One particularly interesting article was a watch chain made of Klondike gold nuggets with a chain of the same material. Mr. Emerson made the trip east by way of Minneapolis and Chicago, but will return by Louisiana, Washington and California. Last week he spent in Portland, Me. The weather seems very cold to him as he says it is seldom zero weather even in his home town.

Mr. and Mrs. Lawrence Knight and Doris have returned from Bethel to their home on Hillside Avenue.

E. G. Emerson and family spent Sunday in Bridgton.

The Gaudet Club met with Mildred Martin and surprised her mother with a tin shower on Wednesday evening.

H. R. Denison spent several days at his home on Daves' Hill the past week.

William Ahern of Stoneham, Mass., who is stationed on the U. S. S. Talosa was a week end guest at William Smith's on Elm Street.

Captain Sylvester, M. D., and family, left Monday morning for Pennsylvania and Maryland where they will spend the winter. Mrs. Lizzie Whitney, Mrs. Sylvester's aunt, is boarding with Mrs. Reina Russell of Front street.

Mrs. Harvey Whitney of Bridgton spent Saturday with her sons, Donald and Horace.

The Free Baptist Church was well filled Sunday morning at the regular service when Captain C. B. Sylvester, M. D., who was at his home on a short furlough, spoke on some of his experiences at the hospital where he has been stationed at Pennsylvania and other places. The address was very interesting and held the closest attention of the congregation.

Mrs. Harriett Doughty and Mrs. Emma Weston have gone to Portland to spend Thanksgiving with Mr. and Mrs. Charles Doughty at Woodfords.

Mr. and Mrs. George A. Flint and Alanson Daves spent Sunday with her sister, and family in South Paris, Mr. and Mrs. John Blitt.
